Custom Colors\*

\* Custom colors available. Requires a premium charge and additional lead time.

Note: Colors may vary. No two dye lots are the exact same color.

## Fabric

The all purpose Verona is a woven, air permeable commercial grade fabric that offers best-in-class performance and features. Features include finished seam construction, positive inlet anchoring system, and zippered inlet collar for a DuctSox Final Filter or AFD. Verona comes in seven popular colors, including black, silver, white, tan, green, blue, and red. Also available in custom colors. Verona is machine washable and available with all DuctSox suspension systems.

## Application

Ideal for any aesthetically-attractive environment. Common uses include retail, commercial, education, and community applications. Ideal if condensation is a concern.
